

# CLAIMS RESOLUTION TRIBUNAL

---

In re Holocaust Victim Assets Litigation  
Case No. CV96-4849

## **Certified Denial**

to Claimant Karl Fischer

**Claimed Account Owner: Karl Fischer<sup>1</sup>**

Claim Number: 401000/MI

This Certified Denial is to the claim of Karl Fischer (the “Claimant”) to a Swiss bank account published on the list of account owners in 2005 and potentially owned by the Claimant himself (the “Claimed Account Owner”).

All denials are published, but where a claimant has requested confidentiality, as in this case, the names of the claimant, any relatives of the claimant other than the account owner, and the bank have been redacted.

### **Information Provided by the Claimant**

The Claimant submitted a claim stating that he, Karl Fischer, is Jewish and that he resided in Brünn, Czechoslovakia.

### **The CRT’s Investigation**

The CRT matched the name of Karl Fischer to the names of all account owners in the Account History Database and identified accounts belonging to individuals whose names match, or are substantially similar to, the name of the Claimed Account Owner. In doing so, the CRT used advanced name matching systems and computer programs, and considered variations of names, including name variations provided by Yad Vashem, The Holocaust Martyrs’ and Heroes’ Remembrance Authority, in Jerusalem, Israel, to ensure that all possible name matches were identified. However, a close review of the relevant bank records indicated that the information contained therein was inconsistent with the information the Claimant provided regarding the Claimed Account Owner. Accordingly, the CRT was unable to conclude that any of these accounts belonged to the Claimed Account Owner.

---

<sup>1</sup> The Claimant should note that this determination relates only to the Claim Number and Claimed Account Owner stated above, and that the CRT is aware that the Claimant may have submitted other claims.

## The CRT's Analysis

### Identification of the Account Owner

The list below contains names of account owners that match the name of the Claimed Account Owner and the reasons why the CRT has concluded that the Claimed Account Owner and an account owner are not the same person. If an account owner's place of residence was published, that place of residence is also listed.

*Name: Karl Fischer*

*Account Identification Number: 1001391*

*Specifically, the Claimant stated that he, Karl Fischer, resided in Brünn. In contrast, the records show that the account owner resided in a different city, which is over 250 kilometers from Brünn. The CRT notes that the account owner's place of residence is a small town, whereas the Claimant resided in Brünn, which is a relatively large city, rendering it unlikely that a resident of Brünn would indicate the account owner's distant small town as their place of residence, even for the purposes of maintaining a Swiss bank account. The CRT further notes that the Claimant is claiming his own account, and therefore he would be able to identify the account owner's place of residence, if the records for this account referred to an account that he owned.*

*Name: Karl Fischer*

*Account Identification Number: 1014837*

*Specifically, the Claimant stated that he, Karl Fischer, resided in Czechoslovakia. In contrast, the records show that the account owner resided in a different country.*

The Claimant should note that all accounts awarded by the CRT are published upon release on the CRT's website at [www.crt-ii.org](http://www.crt-ii.org).

### Right of Appeal and Request for Reconsideration

Pursuant to Article 30 of the Rules Governing the Claims Resolution Process, as amended (the "Rules"), the Claimant may appeal this decision or submit a request for reconsideration within ninety (90) days of the date of the letter accompanying this decision.

An appeal must be based upon a plausible suggestion of error regarding the CRT's conclusions set out in this decision. Any appeals which are submitted without a plausible suggestion of error shall be summarily denied. A request for reconsideration must be based on new documentary evidence not previously presented to the CRT that, if considered, would have led to a different outcome of the claim. Claimants should briefly explain the relevance of the newly submitted documents in view of the conclusions stated in the certified decision.

The Claimant should send appeals and/or requests for reconsideration in writing to the following address: Oren Wiener, Claims Resolution Tribunal, Attention: Appeals / Request for Reconsideration, P.O. Box 9564, 8036 Zurich, Switzerland. If more than one account has been treated in this decision, the Claimant should identify the account, including, where available, the

Account Identification Number, that forms the basis of the appeal and/or request for reconsideration.

### **Scope of the Denial**

The CRT now considers the Claimant's claim to the accounts of Karl Fischer closed. Please note that this decision applies only to the Claim Number and Claimed Account Owner identified herein, and that the CRT is aware that the Claimant may have claimed accounts held by other persons or entities both in the Claim Number specified above and in other claims submitted to the CRT.

### **Certification of the Denial**

The CRT certifies this Denial for approval by the Court.
