---

In re Holocaust Victim Assets Litigation  
Case No. CV96-4849

## **Certified Denial**

to Claimant Hans William Galland

**Claimed Account Owner: Heinz Galland<sup>1</sup>**

Claim Number: 401374/RT

This Certified Denial is to the claim of Hans William Galland (the “Claimant”) to a Swiss bank account published on the list of power of attorney holders in 2005 and potentially opened on the Claimant’s behalf or to the Claimant’s benefit under the name Heinz Galland. (the “Claimed Account Owner”).

All denials are published, but where a claimant has requested confidentiality, as in this case, the names of the claimant, any relatives of the claimant other than the account owner, and the bank have been redacted.

### **Information Provided by the Claimant**

The Claimant submitted a claim indicating that he is Jewish. The Claimant further stated that he was born on 20 February 1915 and that his father might have opened a Swiss bank account in his behalf under the name Heinz Galland.

### **The CRT’s Investigation**

The CRT matched the name of Heinz Galland to the names of all account owners and power of attorney holders in the Account History Database and identified accounts belonging to or over which individuals held power of attorney whose names match, or are substantially similar to, the name of the Claimed Account Owner. In doing so, the CRT used advanced name matching systems and computer programs, and considered variations of names, including name variations provided by Yad Vashem, The Holocaust Martyrs’ and Heroes’ Remembrance Authority, in Jerusalem, Israel, to ensure that all possible name matches were identified. However, a close review of the relevant bank records indicated that the information contained therein was inconsistent with the information the Claimant provided regarding the Claimed Account Owner.

---

<sup>1</sup> The Claimant should note that this determination relates only to the Claim Number and Claimed Account Owner stated above, and that the CRT is aware that the Claimant may have submitted other claims.

Accordingly, the CRT was unable to conclude that any of these accounts belonged to the Claimed Account Owner.

## **The CRT's Analysis**

### Identification of the Account Owner/Power of Attorney Holder

The list below contains names of account owners and power of attorney holders that match the name of the Claimed Account Owner and the reasons why the CRT has concluded that the Claimed Account Owner and an account owner or power of attorney holder are not the same person. If an account owner's place of residence was published, that place of residence is also listed.

*Name: Heinz Galland (power of attorney holder)*

*Account Identification Number: 5034387*

*Specifically, the Claimant stated that he, Hans William Galland, was born on 20 February 1915 and that his father might have opened a Swiss bank account in his behalf under the name Heinz Galland. In contrast, the records show that the power of attorney holder held an advanced academic or professional title at a time when the Claimant was too young to have earned such a title. The records further do not indicate the use of an alias for the power of attorney holder. The CRT also notes that the Claimant did not identify the account owner, and that under Swiss law, a power of attorney holder is not considered to be the owner of an account. After a power of attorney holder dies, his or her powers in an account no longer exist, and they do not pass to his or her heirs. Therefore, even if the Claimant had identified the power of attorney holder, but not the account owner, as their relative, the Claimant would not have been entitled to the account as there is no evidence in the bank's records that the power of attorney holder and the account owner were related.*

The Claimant should note that all accounts awarded by the CRT are published upon release on the CRT's website at [www.crt-ii.org](http://www.crt-ii.org).

### Right of Appeal and Request for Reconsideration

Pursuant to Article 30 of the Rules Governing the Claims Resolution Process, as amended (the "Rules"), the Claimant may appeal this decision or submit a request for reconsideration within ninety (90) days of the date of the letter accompanying this decision.

An appeal must be based upon a plausible suggestion of error regarding the CRT's conclusions set out in this decision. Any appeals which are submitted without a plausible suggestion of error shall be summarily denied. A request for reconsideration must be based on new documentary evidence not previously presented to the CRT that, if considered, would have led to a different outcome of the claim. Claimants should briefly explain the relevance of the newly submitted documents in view of the conclusions stated in the certified decision.

The Claimant should send appeals and/or requests for reconsideration in writing to the following address: Oren Wiener, Claims Resolution Tribunal, Attention: Appeals / Request for Reconsideration, P.O. Box 9564, 8036 Zurich, Switzerland. If more than one account has been treated in this decision, the Claimant should identify the account, including, where available, the Account Identification Number, that forms the basis of the appeal and/or request for reconsideration.

### **Scope of the Denial**

The CRT now considers the Claimant's claim to the accounts of Heinz Galland closed. Please note that this decision applies only to the Claim Number and Claimed Account Owner identified herein, and that the CRT is aware that the Claimant may have claimed accounts held by other persons or entities both in the Claim Number specified above and in other claims submitted to the CRT.

### **Certification of the Denial**

The CRT certifies this Denial for approval by the Court.
