

CLAIMS RESOLUTION TRIBUNAL

In re Holocaust Victim Assets Litigation
Case No. CV96-4849

Certified Denial

to Claimant Esther Glaser

Claimed Account Owners: Karl Glaser, Minna Glaser and Kurt Glaser¹

Claim Number: 205889/RT

This determination is based on the claim of Esther Glaser (the “Claimant”) to a Swiss bank account potentially owned by Karl Glaser, Minna Glaser and Kurt Glaser. The CRT did not locate an account belonging to Kurt Glaser in the Account History Database prepared pursuant to the investigation of the Independent Committee of Eminent Persons (“ICEP” or “ICEP Investigation”), which identified accounts probably or possibly belonging to Victims of Nazi Persecution, as defined in the Rules Governing the Claims Resolution Process, as amended (the “Rules”).

This Certified Denial is to a Swiss bank account potentially owned by the Claimant’s relatives, Karl Glaser and Minna Glaser (the “Claimed Account Owners”).

All denials are published. Where a claimant has not requested confidentiality, as in this case, only the name of the bank has been redacted.

Information Provided by the Claimant

The Claimant submitted a claim stating that Karl Glaser and Minna Glaser, who were Jewish, resided in Berlin, Germany.

The CRT’s Investigation

The CRT matched the names of Karl Glaser and Minna Glaser to the names of all account owners in the Account History Database and identified accounts belonging to individuals whose names match, or are substantially similar to, the name of the Claimed Account Owners. In doing so, the CRT used advanced name matching systems and computer programs, and considered variations of names, including name variations provided by Yad Vashem, The Holocaust Martyrs’ and Heroes’ Remembrance Authority, in Jerusalem, Israel, to ensure that all possible name matches were identified. However, a close review of the relevant bank records indicated

that the information contained therein was inconsistent with the information the Claimant provided regarding the Claimed Account Owners. Accordingly, the CRT was unable to conclude that any of these accounts belonged to the Claimed Account Owners.

The CRT's Analysis

Identification of the Account Owners

The list below contains names of account owners that match the names of the Claimed Account Owners and the reasons why the CRT has concluded that the Claimed Account Owners and an account owner are not the same person. If an account owner's place of residence was published, that place of residence is also listed.

Name: Karl Glaser (Eisleben, Germany)

Account Identification Number: 4019683

Specifically, the Claimant stated that her relative, Karl Glaser, resided in Berlin. In contrast, the records show that the account owner resided in Eisleben, which is over 200 kilometers from Berlin. The CRT notes that Berlin is a major urban center, whereas Eisleben is a small city, rendering it unlikely that a resident of Berlin would indicate Eisleben as his/her city of residence, even for the purposes of maintaining a Swiss bank account.

Name: M. Glaser (Germany)

Account Identification Numbers: 1011223; 1011224

Specifically, The Claimant stated that her relative, Minna Glaser, resided in Berlin. In contrast, the records show that the account owner resided in a different city, which is over 360 kilometers from Berlin. The CRT notes that Berlin is a major urban center, whereas the account owner's place of residence is a small German city, rendering it unlikely that a citizen of Berlin would indicate the account owner's distant city of residence as his/her place of residence, even for the purposes of maintaining a Swiss bank account.

The Claimant should note that all accounts awarded by the CRT are published upon release on the CRT's website at www.crt-ii.org.

Right of Appeal and Request for Reconsideration

Pursuant to Article 30 of the Rules Governing the Claims Resolution Process, as amended (the "Rules"), the Claimant may appeal this decision or submit a request for reconsideration within ninety (90) days of the date of the letter accompanying this decision.

An appeal must be based upon a plausible suggestion of error regarding the CRT's conclusions set out in this decision. Any appeals which are submitted without a plausible suggestion of error shall be summarily denied. A request for reconsideration must be based on new documentary evidence not previously presented to the CRT that, if considered, would have led to a different outcome of the claim. Claimants should briefly explain the relevance of the newly submitted documents in view of the conclusions stated in the certified decision.

The Claimant should send appeals and/or requests for reconsideration in writing to the following address: Oren Wiener, Claims Resolution Tribunal, Attention: Appeals / Request for Reconsideration, P.O. Box 9564, 8036 Zurich, Switzerland. If more than one account has been treated in this decision, the Claimant should identify the account, including, where available, the Account Identification Number, that forms the basis of the appeal and/or request for reconsideration.

Scope of the Denial

The CRT now considers the Claimant's claim to the accounts of Karl Glaser, Minna Glaser and Kurt Glaser closed. Please note that this decision applies only to the Claim Number and Claimed Account Owners identified herein, and that the CRT is aware that the Claimant may have claimed accounts held by other persons or entities both in the Claim Number specified above and in other claims submitted to the CRT.

Certification of the Denial

The CRT certifies this Denial for approval by the Court.
