In re Holocaust Victim Assets Litigation
Case No. CV96-4849

Certified Denial

to Claimant [REDACTED]

Claimed Account Owners: Albert Salomon and Karl Salomon¹

Claim Number: 216359/RT

This Certified Denial is to the claim of [REDACTED] (the “Claimant”) to a Swiss bank account published on the list of account owners in 2005 and potentially owned by the Claimant’s relatives, Albert Salomon and Karl Salomon (the “Claimed Account Owners”).

All denials are published, but where a claimant has requested confidentiality, as in this case, the names of the claimant, any relatives of the claimant other than the account owner, and the bank have been redacted.

Information Provided by the Claimant

The Claimant submitted a claim stating that Karl Salomon, who was Jewish, was a merchant, who resided in Granterath, Golkrath and Mönchengladbach, Germany. The Claimant further stated that Albert Salomon, who also was Jewish and who was Karl Salomon’s son, was born in Golkrath, Germany and resided with his father until he fled Germany for the Netherlands in 1938.

The CRT’s Investigation

The CRT matched the names of Albert Salomon and Karl Salomon to the names of all account owners in the Account History Database and identified accounts belonging to individuals whose names match, or are substantially similar to, the name of the Claimed Account Owners. In doing so, the CRT used advanced name matching systems and computer programs, and considered variations of names, including name variations provided by Yad Vashem, The Holocaust Martyrs’ and Heroes’ Remembrance Authority, in Jerusalem, Israel, to ensure that all possible name matches were identified. However, a close review of the relevant bank records indicated that the information contained therein was inconsistent with the information the Claimant provided regarding the Claimed Account Owners. Accordingly, the CRT was unable to conclude that any of these accounts belonged to the Claimed Account Owners.

¹ The Claimant should note that this determination relates only to the Claim Number and Claimed Account Owners stated above, and that the CRT is aware that the Claimant may have submitted other claims.

The CRT's Analysis

Identification of the Account Owners

The list below contains names of account owners that match the name of the Claimed Account Owner and the reasons why the CRT has concluded that the Claimed Account Owner and an account owner are not the same person. If an account owner's place of residence was published, that place of residence is also listed.

Name: Albert Salomon

Account Identification Numbers: 1013184; 1013185

Specifically, the Claimant stated that her relative, Albert Salomon, resided in Granterath, Golkrath and Mönchengladbach. In contrast, the records show that the account owner resided in a different city, which is approximately 250 kilometers from Granterath, Golkrath and Mönchengladbach. The CRT notes that Granterath and Golkrath are villages which are close to Mönchengladbach, and that Mönchengladbach and the account owner's place of residence are both major urban centers, thus rendering unlikely that a resident of Granterath, Golkrath or Mönchengladbach would indicate the account owner's distant place of residence as his/her place of residence, even for the purposes of maintaining a Swiss bank account.

Name: Carl Salomon (Berlin, Germany)

Account Identification Numbers: 5026892; 5033245

Specifically, the Claimant stated that his relative, Karl Salomon, was a merchant, who resided in Granterath, Golkrath and Mönchengladbach. In contrast, the records show that the account owner had a different profession and resided in Berlin, which is approximately 600 kilometers from Granterath, Golkrath and Mönchengladbach.

Name: Carl Salomon (Germany)

Account Identification Numbers: 1013187

Specifically, the Claimant stated that his relative, Karl Salomon, was a merchant who resided in Granterath, Golkrath and Mönchengladbach. In contrast, the records show that the account owner had a different profession and resided in a different city, which is over 500 kilometers from Granterath, Golkrath and Mönchengladbach.

The Claimant should note that all accounts awarded by the CRT are published upon release on the CRT's website at www.crt-ii.org.

Right of Appeal and Request for Reconsideration

Pursuant to Article 30 of the Rules Governing the Claims Resolution Process, as amended (the "Rules"), the Claimant may appeal this decision or submit a request for reconsideration within ninety (90) days of the date of the letter accompanying this decision.

An appeal must be based upon a plausible suggestion of error regarding the CRT's conclusions set out in this decision. Any appeals which are submitted without a plausible suggestion of error shall be summarily denied. A request for reconsideration must be based on new documentary

evidence not previously presented to the CRT that, if considered, would have led to a different outcome of the claim. Claimants should briefly explain the relevance of the newly submitted documents in view of the conclusions stated in the certified decision.

The Claimant should send appeals and/or requests for reconsideration in writing to the following address: Oren Wiener, Claims Resolution Tribunal, Attention: Appeals / Request for Reconsideration, P.O. Box 9564, 8036 Zurich, Switzerland. If more than one account has been treated in this decision, the Claimant should identify the account, including, where available, the Account Identification Number, that forms the basis of the appeal and/or request for reconsideration.

Scope of the Denial

The CRT now considers the Claimant's claim to the accounts of Albert Salomon and Karl Salomon closed. Please note that this decision applies only to the Claim Number and Claimed Account Owners identified herein, and that the CRT is aware that the Claimant may have claimed accounts held by other persons or entities both in the Claim Number specified above and in other claims submitted to the CRT.

Certification of the Denial

The CRT certifies this Denial for approval by the Court.
